

So far In 2023, OUR CHURCH ENGAGED PEOPLE AROUND THE WORLD...

Through weekly experiences.

We've welcomed more than 76,000 people into our 44 physical locations in 12 states and more than 91,000 people to over 130 services each week at Life.Church Online. Eternities are different for each of the 24,894 people who have raised their hand and stepped into a relationship with Jesus through Life.Church.

On social media.

As people scroll through social media, we look to create meaningful connections. Followers of these pages have grown to over 15 million across all social media platforms, providing opportunities to share the hope and love of Christ through nearly 415 million interactions.

Across generations.

More than 14,000 kids and 4,000 middle and high school students have attended weekly experiences designed specifically for them. Additionally, they've spent over 910,000 hours watching LifeKids and Switch content on YouTube.

Through passionate volunteers.

Every week, nearly 10,000 volunteers show God's love to the thousands of people walking through our doors both physically and digitally.

OUR CHURCH IS REACHING EVEN FURTHER... through the music of Life.Church Worship & Switch.

So far this year, songs from the heart of our church have been streamed more than 22 million times and we celebrated the release of three new singles from Switch and three more from Life.Church Worship as part of the upcoming album, Sing As One.

by investing over \$24 million this year in ...

Missions

We're helping address important needs in our communities by supporting nearly 140 Local Mission Partners with both grants and the time of thousands of volunteers from our church.

Through our 13 Global Mission Partners, we're also bringing relief to people affected by natural disasters, helping free those trapped in human trafficking, equipping local churches to transform their communities, and planting churches around the world.

YouVersion

YouVersion partners with over 4,600 ministries and offers more than 2,997 Bible versions in 1,985 languages. People around the world are engaging with the Bible for free through YouVersion's Family of Apps: the Bible App, the Bible App for Kids, and the new Bible App Lite—which exists to serve people living in areas with data or internet limitations.

In the first half of 2023, YouVersion's Family of Apps experienced 47.9 million installs.

Bible Translation

This year, both the YouVersion and Life.Church communities have given more than \$1 million toward the effort to translate the Bible into additional languages and formats.

We're excited to continue working alongside our global translation partners to get God's Word to people all over the world—no matter which language they speak.

IN 2023, YOUR GENEROSITY IS MAKING IT POSSIBLE TO ...

increase Bible engagement.

YouVersion is reaching people everywhere through its free Family of Apps. Your generosity allows YouVersion to bring innovative technology, new Bible languages, Guided Prayer, and enhanced Bible Plans to every part of the world. You are helping us create more opportunities than ever before for people to seek intimacy with God every day.

build and expand physical Life.Church locations.

To reach more people who don't know Christ, we'll open a new location in West Palm Beach and begin construction on new church buildings for Life.Church Austin and Life.Church North Denver.

release new music through Life.Church Worship.

This year, we're releasing Sing As One, a new album from Life.Church Worship. With this album, we're pressing into what really matters—worship that draws us closer to the Father, aligns our hearts with His, and reminds us of our need for Him every day.

reach more people in our current communities.

We're revitalizing six existing locations and rallying our church family to invite others into what God is doing through Life.Church.
